

# Opportunity for Speed Stacks Group Order

From the desk of : \_\_\_\_\_

Dear Parents,

We are currently doing a sport stacking unit in PE and I want to share a unique opportunity with you. Sport stacking is an exciting sport where students stack and unstack 12 specially designed cups (Speed Stacks) in predetermined sequences. Students race against the clock for faster times and race against each other in relays.

This is one of my favorite units to teach, because sport stacking promotes hand-eye coordination, ambidexterity, quickness, concentration and fitness - plus, students love it! Sport stacking uses both sides of the body and brain developing important skills needed to dribble and shoot a basketball, throw and catch a baseball, play a musical instrument, type on a computer and more. By activating both sides of the brain, students also benefit academically with greater focus and concentration levels.

One of my goals as a Physical Educator is to promote activity at home through positive alternatives to computer, television and video game screen time. Technology is a wonderful tool to help kids learn and develop, but all that sitting needs to be accompanied by movement! I believe that sport stacking is a unique, fun and simple activity that motivates kids to get up and move.

To help accomplish my goal of keeping kids active and healthy, I invite you and your child to participate in our school Group Order with Speed Stacks. Here's why:

- ***Just like classroom book orders, your student will get a special school discount on their favorite gear, plus free shipping.***
- ***Our school will benefit with free equipment based on student orders.***
- ***Even in hard economic times, I can't name any other sport with the same benefits for less than \$15.***

Please take time to review the Speed Stacks product brochure. Here's how to order:

- 1) **Once you've selected your products, go to the Group Order Store online at [www.speedstacks.com/group\\_orders/students.php](http://www.speedstacks.com/group_orders/students.php)**
- 2) **Find our school in the listing and place your order.** (If you prefer not to order online, please contact me for other options.)

**Our order is starting \_\_\_\_\_ and ending \_\_\_\_\_.**

*Please have your order placed before the ending date.*

**Thanks for your support  
of physical education!**

Remember that our school earns free Speed Stacks equipment based on your participation!
