HOW TO PLACE A GROUP ORDER

You've introduced sport stacking with Speed Stacks and your students love it...Now they want to stack at home...time to *ORGANIZE A GROUP ORDER!*

BENEFITS OF A GROUP ORDER:

FREE EQUIPMENT - Your program gets 10% of the order total in free equipment. For example, if you have 400 students in your school and half of them purchase a set of cups, you will have a \$2,600 Group Order and will receive \$260 to spend on Speed Stacks equipment!

VALUE - What other sport can a student get into for under \$15.00? Students get up to a 15% discount on all products *and* **FREE SHIPPING!** This is a special opportunity for your students to get their stacking gear at the lowest possible price.

HEALTHY SPORT - Just like school book orders encourage reading at home, participation in a Group Order helps kids be more active and healthy at home! Everyone wins with a Group Order.

Here's how it works:

1. Register your Group Order online

To get your Group Order started, simply go to www.speedstacks.com and choose GROUP ORDERS to enter the Group Order Site. Or you can call us at 1-877-GOT CUPS (468-2877) and we'll set up your Group Order for you. Once you're registered, we'll send you Stacker Brochures for your students to take home. Using the Stacker Brochure, families place their orders online in the Group Order Store and they can either pay online with a credit card or with a check. Families who are not able to order online simply fill out the "Student Order Form" and return it to you along with a check. You can download this form at www.speedstacks.com. *Please note that checks should be made payable to Speed Stacks, Inc. and you must have at least \$100 in student orders to qualify for the discounted Group Order prices.*

2. Monitor your Group Order

The Group Order Site lets you check on your students' orders at any time. Student payments are automatically added up making it easier than ever to manage your Group Order.

Once all of your student orders are in, it's time to shop for your Bonus items! You receive 10% of your students' orders in bonus bucks to spend any way you like on additional Speed Stacks equipment for your program. This is also the best time to order any additional items you need or free replacement cups for your Sport Pack. Once all student orders are entered and your selections have been made, submit your order online and mail us the checks.

3. Be their favorite teacher

Once you submit your order on the Group Order Site and we confirm payment, we make one shipment to your school and you hand everything out to your students. With your order you'll receive an itemized list showing what each student ordered, making it super easy to pass everything out.

That's it – it's easy. Feel free to call us if you have any questions

Most importantly, have fun and *STACK FAST!*
