

PE4life/Speed Stacks Sport Pack Grant Program

The **PE4life/Speed Stacks Sport Pack Grant Program** awards Sport Packs to schools highly motivated to start a Sport Stacking program but not able to fund it themselves. A PE4life/Speed Stacks Sport Pack includes everything you need to offer a comprehensive Sport Stacking program: 30 sets of Speed Stacks®, a StackMat®, Speed Stacks Minis, Super Minis, Instructor Training DVD, 5-day lesson plans, an “On the Move with Speed Stacks” and “Fitness Stacking” Activity Guides, WSSA Stack Meet Manual and group order information. A PE4life/Speed Stacks Sport Pack allows schools to incorporate Sport Stacking into their physical education programs year after year. Sport Stacking is credited with helping students improve fitness, motor skills, patterning, sequencing, focus and concentration. Sport Stacking also helps hand-eye coordination and ambidexterity and allows students to use both sides of their body and brain to improve bilateral proficiency as well as encourages students to set goals through establishing personal records.

One Sport Pack will be awarded each month from September through June. ***Applications must be submitted by the 15th of the month and winners will be notified the first of the following month.*** Please submit your completed Application Form and Narrative to:

**Sport Pack Grant Program
Speed Stacks, Inc.
11 Inverness Way South
Englewood, CO 80112**

Please address any questions to Pola Metz, either by email pmetz@speedstacks.com or call 1-877-GOT-CUPS (468-2877) ext. 204.

NOTE: As part of the grant award, a summary report must be submitted after the Sport Stacking unit has been taught. The report describes the successes and challenges of your Sport Stacking program. We would also love seeing photos and hearing of student successes in their own words. **We have provided a “Summary Report” page in this packet.**

We know that your students will want to purchase their very own sets of Speed Stacks and we encourage you to **review the Group Ordering Information** included in your Sport Pack. Not only will your students be excited about owning their own set of Speed Stacks, you will be eligible to earn additional Sport Stacking equipment for your program!

Whenever possible, organizations receiving a **PE4life/Speed Stacks Sport Pack Grant** are expected to acknowledge this support in newsletters, press releases, and advertisements with the following language:

This program is made possible in part by a grant of a Speed Stacks Sport Pack provided by PE4life and Speed Stacks, Inc.

Eligibility criteria

- Schools must be located in the United States or Canada;
- Applicants must be the Physical Education Teacher;
- Schools must have a physical education program providing for 100 students or more.

SUMMARY REPORT

Grant Recipients only:

**Please send a Summary Report upon completion of your Sport Stacking Unit to:
Speed Stacks, Inc, Attn: Grant Program, 11 Inverness Way South, Englewood, CO 80112.**

Describe the successes and challenges of implementing a Sport Stacking program with your students. If possible, please include student/staff quotes, photos and any publicity your program may have generated. Explain if you have plans to extend your Sport Stacking program beyond the regular school day with a before or after school club/league and/or tournament.
