# CANADIAN GROUP ORDER INFORMATION

## Bonus Items

Use the table below to select your free Bonus Items based on your Group Order Sub Total (before tax). Multiply your Group Order Grand Total by 0.10 (10%) to determine the Bonus Bucks you have to spend. For example, if your Group Order is C\$1250, then you get C\$1250 x 0.10 = C\$125 in Bonus Bucks to spend. Just indicate the quantity and color of each free item you select. Please note that Bonus Bucks may not be combined with other orders or carried over to future orders.

## CANADIAN GROUP ORDER TALLY SHEET

The easiest and best way to tally up your students' orders is to use our Group Order Site at [www.speedstacks.com](http://www.speedstacks.com). If you are unable to do that, you may use this form instead. To place your Group Order, simply add up all your student orders onto this Group Order Tally Sheet, complete the Group Order Information (on the back of this sheet) and either mail, phone (1-877-468-2877) or fax (303-663-8580) your order to us. For Canadian Group Orders, we are only able to accept one school/organization check; we are not able to accept individual student payments. The order will be shipped once payment is received. Please note that your order total must be at least C\$100.00 to qualify for these special Group Order prices.
