

Phone Stand

Use this phone stand to hold your phone so that you can record yourself stacking

1. Print this page.
2. Tape or glue this page to a cereal box or thin cardboard box.
3. Use scissors or a knife to cut along the outline of the phone stand.
4. Fold the sides in along the dotted line. It may help to press hard along the dotted line with a pen first to crease where the folds are.
5. Place the stand on the corner of the table.
6. Stack!
